During the hackathon **Hack@Bvp**, I contributed to the development of a web portal named
PinkAware, focused on raising awareness about breast cancer.The PinkAware project
showcases my dedication to utilizing technology for impactful causes, and you can explore
the project on my GitHub repository as well.

POSITION OF RESPONSIBILITY

- **Devlopment|GeekRoom Society, (MSIT)**   *(2023)*

Organized Fest as Coordinator & conducted sessions for 300+ college students on Web
Development related topics.

ACHIEVEMENTS / HOBBIES

Teaching is my passion, evident in my dedication to tutoring young children during my spare

time. I've channeled this enthusiasm into "Bright Academy One Step Forward," my YouTube

channel where I teach 10th-grade mathematics, aiming to make learning accessible and

engaging for students beyond the classroom.
